Mr. Norman C. Adamek
Harris County Municipal Utility District No. 249
1300 Post Oak Boulevard, Suite 1400
Houston, Texas 77056

Dear Mr. Adamek:

Thank you for your email informing our office of dangerous driving conditions and your request for street lighting and traffic signalization on Lexington Road at East Cypresswood Drive. I appreciate your involvement on behalf of the community and provide the following.

The Harris County Public Infrastructure Department/Traffic and Transportation (HCPID/TT) concurs with the formal traffic engineering study which was performed and recommends installation of a traffic signal at the intersection. Due to the number of signals warranted in Precinct 4, signal projects are designed and installed once funds become available. Public safety is very important to me and I will see that this project moves forward as quickly as funds are available.

Also as mentioned previously, we recommend you contact Ms. Stella Rodriguez, Staff Consultant, CenterPoint Energy, at (713) 945-3219, to determine the procedures required to obtain street lighting at the intersection of Lexington Road at East Cypresswood Drive.

Again, thank you Mr. Adamek for bringing the community's concerns and request to my attention. If I can be of further assistance to you with Precinct 4 Road and Bridge matters, please do not hesitate to contact my Community Assistance Department at (281) 353-8424 or visit our website at www.hcp4.net.

Sincerely,

R. Jack Cagle

R. Jack Cagle
County Commissioner
Precinct 4
